

# Classic

## Double Hung Replacement Window

The Harvey Classic Vinyl Double Hung replacement window offers homeowners the widest variety of style, performance, color and options available in the marketplace today.

The Classic window is custom made to fit your opening with very little carpentry needed, reducing installation time and mess.

Our sleek fully welded sash and frame design provides a one-piece sloped sill and better performance than ordinary vinyl windows, with an air-tight seal that keeps wind and water where they belong - outside. Consult your professional contractor to discuss which options best match your needs.

Tilt-in top and bottom sash for easy cleaning

### Classic features include:

- 7/8" Insulating glass with PPG Intercept® warm edge spacer system provides 10% warmer indoor glass temperature
- ENERGY STAR qualified with optional Low-E glazing (add Argon gas for ultimate energy efficiency)
- Factory calibrated block & tackle sash balances never need adjustment or lubrication
- Triple seal interlock at meeting rail and double weatherstripping
- Locking fiberglass half screen
- Low-profile, easy to operate color-matched locks available
- Ventilation limit latches keep top or bottom sash partially open
- Further reduce noises with the Classic Acoustic window (page 18)

Available in: White Bronze Almond Actual colors may vary.

Over 25 exterior colors also available (white or almond interior)
